DETAILED ACTION

Allowable Subject Matter

1. Claims 1-29 are allowed.
2. The following is a statement of reasons for the indication of allowable subject matter:

There is no prior art that shows the claimed security system having a flexible cord with a length, a housing mountable in an operative position to a support and into which the cord is urged into a stored state and from which the cord can be selectively withdrawn, a connector on the cord, the connector attachable to an article to be monitored, at least one of a) a first discrete part of the cord repositionable relative to a second discrete part of the cord and b) at least a part of the housing being repositionable relative to a support upon which the housing is mounted in an operative position to control twisting of the cord about the length by reason of turning of the connector and also the flexible cord, housing, and support being interconnected so that the cord can be turned about the length of the cord continuously in one direction by turning the article to which the cord is attached without causing kinking of the cord.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
